

My Help

VaShawn Mitchell

I will lift my head for I know where my help comes from
I will lift my head for I know where my help comes from

I will lift my head for I know where my help comes from
I will lift my head for I know where my help comes from
I will lift my head for I know where my help comes from
I will lift my head for I know where my help comes from

My help comes from the Lord
My help comes from the Lord

I will lift my head for I know where my help comes from
I will lift my head for I know where my help comes from
I will lift my head for I know where my help comes from
I will lift my head for I know where my help comes from

My help comes from the Lord
My help comes from the Lord

The Lord got strong and mighty
The Lord got mighty in battle
My refuge and my strength
No doubt you can't not win
Only You I can depend
The kingdom glory

When you fight, You always win
You always win, You always win
When you fight, You always win
You always win
When you fight, You always win
You always win
When you fight, You always win

My help comes from the Lord
My help comes from the Lord
My help comes from the Lord
My help comes from the Lord

I will lift my head for I know where my help comes from
I will lift my head for I know where my help comes from
I will lift my head for I know where my help comes from
I will lift my head for I know where my help comes from
