

My Source

VaShawn Mitchell

Not by might
Nor by Power
But by the Spirit of the Lord
Not by might
Nor by Power
But by the Lord's Spirit that we are not consumed

Not by might
Nor by Power
But by the Spirit of the Lord
Not by might
Nor by Power
But by the Lord's Spirit that we are not consumed

God is my source
God is my source
God is my source
My everlasting well

Not by might
Nor by Power
But by the Spirit of the Lord
Not by might
Nor by Power
But by the Lord's Spirit that we are not consumed

God is my source
God is my source
God is my source
My everlasting well

God is my source
God is my source
God is my source
My everlasting well

He is the well that never runs dry
On him, I can rely
I can put my trust in him
Knowing on him, I can depend

He is the well that never runs dry
On him, I can rely
I can put my trust in him
Knowing on him, I can depend

God is my source
God is my source
God is my source
My everlasting well

God is my source
God is my source
God is my source
My everlasting well

God shall supply all of my needs

God shall supply all of my needs
God shall supply all of my needs
God shall supply all of my needs
God shall supply all of my needs
God shall supply all of my needs

All of my needs
All of my needs
All of my needs
All of my needs
All of my needs
All of my needs
All of my needs
All of my needs
All of my needs
All of my needs
All of my needs
All of my needs
