Promises

VaShawn Mitchell

I hear the sound the abundance of rain
That means my blessings are on the way
May not see it but I (really do) believe it
The promises of God are already mine

Already mine
Already mine
I believe its already mine

I hear the sound the abundance of rain
That means my blessings are on the way
May not see it but i (really do) believe it
The promises of God are already mine

Already mine
I believe its already mine

If God said it
I believe it

Until I receive it

I'll hold onto his every word
The promises of God are already mine

Mine
Already mine

The Promises of God are already mine.
