

Strong Name

VaShawn Mitchell

Put your hands on it right here

There is a name
Higher than anything
Name that we call thee
For there is power and no defeat
A strong tower
A great fortress for me
That confuses the enemy
And guarantees total victory

Cause we know that the strong name of the lord
Will be a great defence for us
The strong name of the lord
Will be a great defence for us
And I will sing a new song
A new song of victory
(Yes I will sing)
And I will sing a new song
A new song of victory

Come on
Sinners can be saved
And men are raised
And even the winds and seas obey
Every disease has to fall
When your mighty name is called
I call him healer provider teacher
That's who you are

Cause we know that the strong name of the lord
Would be a great defence for us
The strong name of the lord
Will be a great defence for us
(So I will open my mouth and sing)
And I will sing a new song
A new song of victory
And I will sing a new song
A new song of victory
