

The Potter's House

VaShawn Mitchell

In case you have fallen by the wayside of life
Dreams and visions shattered,
You are broken inside
You don't have to stay in the shape that you're in
The potter wants to put you back together again.

In case your situation has turned upside down
And all that you've accomplished
Is now on the ground
You don't have to stay in the shape that you're in
The potter wants to put you back together again.
Oh, the potter wants
To put you back together again.

You who are broken, stop by... the Potter's house.
You who demanded, stop by... the Potter's house.
Give him the fragments of your broken life
(Oh-oh-oh)
You who are broken, stop by... the Potter's house.
You who demanded, stop by... the Potter's house.
Give him the fragments of your broken life.

My friend, the potter wants
To put you back together again.
Oh, the potter wants
To put you back together again.

There's joy... in the Potter's house.
Joy... in the Potter's house.

Peace... in the Potter's house.
Love... in the Potter's house.
Salvation... in the Potter's house.
Healing... in the Potter's house.

Deliverance... in the Potter's house.
Everything you need... in the Potter's house.
The potter wants to put you back together again.
Oh, the potter wants
To put you back together again.
