

# Til You Bless Me

VaShawn Mitchell

Go until You bless me  
I won't let go until You bless me  
I won't let go until You bless me  
I won't let go

Go until You bless me  
I won't let go until You bless me  
I won't let go until You bless me  
I won't let go

Everybody lift it up and say

Go until You bless me  
I won't let go until You bless me  
I won't let go until You bless me  
I won't let go

Say it again say

Go until You bless me  
I won't let go until You bless me  
I won't let go until You bless me  
I won't let go

Here we go

Go until You heal me  
I won't let go until You heal me  
I won't let go until You heal me  
I won't let go

Go until You heal me  
I won't let go until You heal me  
I won't let go until You heal me  
I won't let go

Everybody lift it up and say

Go until You heal me  
I won't let go until You heal me  
I won't let go until You heal me  
I won't let go  
If that's your testimony lift it up

Go until You heal me  
I won't let go until You heal me  
I won't let go until You heal me  
I won't let go

If you won't let go make a little noise  
I can't hold it

Alright here we go

Go (I'll praise) until You bless me (I'll fight)  
I won't let go until You bless me (I'll wrestle all night)  
I won't let go

(I'll praise) I'll praise  
(I'll fight) I'll fight  
(I'll wrestle all night) I'll wrestle all night

Now make some noise and put your hands up  
Come on

I'll never let go  
I will never let go  
Come on  
Yeah

I won't let go until You bless me  
(Won't let go)  
I won't let go  
(Won't let go)  
Whatever I've got to do  
I will never let go  
(Won't let go)

I won't let go until You heal me  
I'll praise and I'll fight  
I'll trust you all night  
I'll never no  
Never no  
Never let go  
I won't let go  
Whatever I got to do  
I'll never let go  
Never let go  
No no no  
I'll keep (holding)  
(I'll keep holding on)

I won't let go  
Clap just a little bit  
I won't let go  
I won't let go until He bless my soul
