

Victory

VaShawn Mitchell

When God gives the victory
Can't nobody take it from you
God gives the victory
Can't nobody take it from you
God's gonna get the glory outta me
God's gonna get the glory out of me
God's gonna get the glory
God's gonna get the glory

When God gives the victory
Can't nobody take it from you
God gives the victory
Can't nobody take it from you
God's gonna get the glory outta me
God's gonna get the glory out of me
God's gonna get the glory outta
God's gonna get the glory

He's got your back
It's not the end
God cannot fail
He always wins
This is the promise
This is the truth
He took the power
Gave it to you

When God gives the victory
Can't nobody take it from you
God gives the victory
Can't nobody take it from you
God's gonna get the glory outta me
God's gonna get the glory out of me
God's gonna get the glory outta
God's gonna get the glory

When God gives the victory
Can't nobody take it from you
God gives the victory
Can't nobody take it from you
God's gonna get the glory outta me
God's gonna get the glory out of me
God's gonna get the glory
God's gonna get the glory

He's got your back
It's not the end
God cannot fail
He always wins
This is the promise
This is the truth
He took the power
Gave it to you

Can't nobody take it from you
Can't nobody take it from you
God's gonna get the glory out of me

God's gonna get the glory
