

Wait

VaShawn Mitchell

Life may have dealt Your struggles
But there is purpose in the end
I know you're tired and broken
But in Your weakness, He's Your strength
You can do all things through Him, my God
With God, all things are possible (All things are possible)
In Him there are no failures
Mighty and powerful He is

They that wait on the Lord, shall renew their strength
They shall mount up with wings like an eagle
They shall run and no be weary, they shall walk and not faint
They that wait on the Lord, hey

Trust God at any level
Trust God at any level
Trust God in any season
Trust God in any season
Trust His through joy and weeping, uh
Trust Him
Trust Him, He'll keep You till the end
They that wait

They that wait on the Lord, shall renew their strength
They shall mount up with wings like an eagle
They shall run and not be weary, they shall walk and not faint
They that wait on the Lord
They that wait on the Lord, shall renew their strength
They shall mount up with wings like an eagle
They shall run and not be weary, they shall walk and not faint
They that wait on the Lord
That's why I decided to wait

Oh, yeah, I decided to wait
I decided to wait
No I ain't going nowhere, I ain't going nowhere
That's why I decided to wait
(He is more than able, to do exceedingly
I decided to wait
Abundantly above all you can ever ask or think
Gonna wait, gonna wait
Gonna wait, gonna wait, gonna wait on the Lord
I'm gonna stay right here, right
Gonna wait, gonna wait, gonna wait on the Lord
Ooh, I ain't going nowhere
Gonna wait, gonna wait, gonna wait on the Lord
It's the promise, what He'll do for us
Gonna wait, gonna wait, gonna wait on the Lord
Yeah
Gonna wait, gonna wait, gonna wait on the Lord
I know my peace is coming, peace is coming
Gonna wait, gonna wait, gonna wait on the Lord
Yeah, my joy is coming, joy is coming
Gonna wait, gonna wait, gonna wait on the Lord
Get ready, get ready, get ready
Gonna wait, gonna wait, gonna wait on the Lord

That's why I decided to wait, I decided to wait
I decided to wait, they that wait on the Lord
I decided to wait, I decided to wait
Shall renew their strength, they shall mount up on wings
That's why I decided to wait, I decided to wait
Like an eagle and soar, they shall run and not get weary
I decided to wait, I decided to wait
They shall walk and not faint

Whoa-oh, they that wait on the Lord
They that wait on the Lord
They that wait on the Lord, wait on His
You will be stronger
They that wait on the Lord, wait on Him
You will be wiser
They that wait on the Lord, wait on Him
My strength will be renewed
They that wait on the Lord, wait on Him
My strength will be renewed

I'll wait on You, I'll wait on You, I'll wait on You
Come what may, I'll wait on You
Day by day, Father, I'll wait on You
Not my will, but Thy will be done, aye
Let Thy will be done, God
I'll wait on You, I'll wait on You
