Every sickness and every disease

He did it again  
Oh oh wave the banner, it's over  
It's over!

Imma stay right here  
Imma let you do it  
Imma hold my peace  
And let you fight for me

Great Jesus  
Strong tower  
My deliverer  
My shield

Imma let you do it  
Imma stay right here  
I ain't going nowhere  
Imma stay right here  
Imma let you do it  
Imma stay right here  
Imma let you do it  
Imma hold my peace  
And let you fight for me  
Great Jesus!
