

Work Together

VaShawn Mitchell

Nothing is impossible
For my God
Who holds the world
In His hands, yeah

We are called His sons and daughters
He has a plan
Just for you and me
And it's gonna work for my good
He's a burden bearer, ha
A heavy load sharer
His plan for me
It's gonna work, just wait and see

'Cause all things
(Work together, work together for my good)
All things
(Work together, work together for my good)
Everything is working
(Work together, work together for my good)
All things are
(Work together, work together)
It's gonna work
(It's gonna work)

Yeah, yeah
Ha ha
My God

Nothing is impossible (nothing is impossible)
For my God (for my God)
Who holds the world (who holds the world)
In His hands (in His hands), ha

We are called His sons and daughters (we are called His sons and daughters)
He has a plan (He has a plan)
Just for you and me (just for you and me), ah
And it's gonna work for my good
He's a burden bearer (He's a burden bearer), ah
A heavy load sharer (a heavy load sharer)
And His plan for me (His plans for me, it's gonna work)
Just wait and see

'Cause all things
(Work together, work together for my good)
All things
(Work together, work together for my good)
Everything that I go through
(Work together, work together for my good)
It'll work together
(Work together, work together) oh

(All things are working)
For my good
(All things are working)
According to His purpose
(According to His purpose) yeah

(For those who believe) it's working
(It's working)

It's gonna work
(It's gonna work)
It's gonna work
(It's gonna work)

Can you raise that up in the room? It's gonna work
(It's gonna work)

Whatever it looks like now you gotta lift it up in your voice and say it's gonna work
(It's gonna work)
Yeah, it's gonna work, yeah, let's go

(It's gonna work)
Yeah, it's gonna work
(It's gonna work)
I don't care how it looks right now, it's gonna work
(It's gonna work)
Hey, I don't care what you're feeling, it's gonna work
(It's gonna work)

Hey, yeah, it's gonna work
(It's gonna work)
It's working right now
(It's working right now)
It's gon'
(It's gonna work)
It's working right now
(It's working right now)
I need a believer to say
(It's gonna work)

It's working right now
(It's working right now)
Can you lift your voice?
(It's gonna work)
Yeah, it's working right now
(It's working right now)
It's

(It's gonna work)
Hey, it's working right now
(It's working right now)
It's working right now
(It's working right now)

While you're praising God
(It's working right now)
While you're worshiping
(It's working right now)
It's working right now
(It's working right now)
I believe

(It's working right now)
It's working right now
(It's working right now)

(It's gonna work)
It's gonna work
(It's gonna work)
Look at somebody and say it's gon'
(It's gonna work)
Look at your neighbor in the face and just tell 'em it's gonna work
(It's gonna work)
No matter what it looks right now, it's gonna work
(It's gonna work)

Yeah, it's gonna work
(It's gonna work)
Everything is working for my good, yeah
(It's gonna work)
It's working right now
(It's working right now)

(It's gonna work)
It's working right now
(It's working right now)
You gotta believe it
(It's gonna work)
It's working right now
(It's working right now)
It's working right now
(It's working right now)
Can you sing it loud?
(It's working right now)
Can you sing it loud?
(It's working right now)
It's working right now
(It's working right now)
It's working
(It's working right now)
Hey
(It's working right now)

(It's gonna work)
Come on, come on
