

You Reign

VaShawn Mitchell

Lord you reign, reign forever
Lord you reign forever more
Lord you reign, reign forever
Lord you reign forever more

The angels bow down at the thought of you,
In adoration of your greatness and truth.
The Earth trembles and the Heavens proclaims,
Your royalty all power is in your name.

Lord you reign, reign forever
Lord you reign forever more.
Lord you reign, reign forever
Lord you reign forever more.

The angels bow down at the thought of you,
In adoration of your greatness and truth.
The Earth trembles and the Heavens proclaims.
Your royalty all power is in your name.

Your royalty all power is in your name
