

Leave Me

Vashti Bunyan

When you said you would leave me
I thought that I would die
I thought I couldn't live anymore
If you weren't here by my side
But now go, and leave me
I don't care anymore
I don't care if I never see you no more

I'll always think of you
And of the love we knew
But I don't care anymore

When you said you would leave me
I didn't know what to do
I couldn't face the thought
Of living my life without you
But now go, and leave me
I don't care anymore
I don't care if I never see you no more

I'll always think of you
And of the love we knew
But I don't care anymore
I don't care anymore
I don't care anymore
