

# Beggin

VASSY

Beggin  
Beggin you, put your loving hand out baby  
Beggin  
Beggin you, put your loving hand out baby  
I'm beggin you, put your loving hand out baby  
Cause I'm begging you, put your loving hand out baby

Riding high, when I was queen  
Landed hard the fastest I'd ever seen  
I walked away wondering then  
But easy come and easy go and it would end

Beggin  
I'm beggin you, won't you give your hand out baby  
Beggin  
Beggin you, put your loving hand out baby

I need you to try to understand  
That I try to be a good woman  
The kinda girl you want in the end  
Only then can I begin to live again  
An empty shell, I used to be  
A shadow all my life is hanging over me  
Broken world that I don't know  
Would leave us standing devils  
Dancing with my soul

Beggin  
I'm beggin you, won't you give your hand out baby  
Beggin  
Beggin you, put your loving hand out baby

I'm fighting hard to hold my own  
But just can't make it all alone  
I'm holding on I can't fall back  
Now the big brass ring is a shade of black

Beggin  
I'm beggin you, won't you give your hand out baby  
Beggin  
Beggin you, put your loving hand out baby  
Beggin  
I'm beggin you, won't you give your hand out baby  
Beggin  
Beggin you, put your loving hand out baby
