

Desire

VASSY

Oo-ah, la-la-la
Oo-ah, la-la-la
Oo-ah, la-la-la
Oo-ah, la-la-la
Oo-ah, la-la-la

Can't get you out of my head
Thinking 'bout you while I'm lying in bed
Your fingertips are craving, got me misbehaving

And all I wanna do is scream your name out

I want your desire
I want your desire
I want your desire
I want your desire (I want your desire)

Oo-ah, la-la-la
Oo-ah, la-la-la
Oo-ah, la-la-la

The way you touch my body
Makes me lose control
I feel your wet breath running down the back of my neck

And all I wanna do is scream your name out

I want your desire
I want your desire
I want your desire
I want your desire (I want your desire)

Touch my body, let me feel it
Feel your love, it's got the burning inside
I can't deny it, when no one's there
Got your crazy love, it's in the air

I want your desire
I want your desire
I want your desire
I want your desire (I want your desire)

Oo-ah, la-la-la
Oo-ah, la-la-la
Oo-ah, la-la-la
I want your desire
Oo-ah, la-la-la
Oo-ah, la-la-la
Oo-ah, la-la-la
I want your desire
