

# Krazy

VASSY

Krazy (no, no, no)  
Never done before (no, no, no)

You've got me feeling  
Like I'm ten feet off the ground  
Heart beatin' faster  
I don't wanna slow it down no no  
You've got me trippin'  
On my words when you're around  
Take control of me now

And I know, and I know, and I know  
I should keep it cool  
I don't know, I don't know, I don't know  
What to do

You got me feeling so  
Krazy  
You've got me doin' things  
I've never done before  
You've got me feeling so  
Krazy  
How you make me  
Keep coming back for more

You've got me feeling so  
Krazy  
Coming back  
Co, co, coming back for more  
You've got me feeling so  
Krazy  
Doin' things, doin' things  
N, never done before  
You've got me feeling so

You give me wild thoughts  
They're running through my head  
You're in the air  
I breathe you in with every breath, oh no  
Just like a melody  
That plays over again  
There's no way to forget

And I know, and I know, and I know  
I should keep it cool  
I don't know, I don't know, I don't know  
What you do

You've got me feeling so  
Krazy  
You've got me doing things  
I've never done before  
You've got me feeling so  
Krazy  
How you make me  
Keep coming back for more

Don't stop this now  
'Cause I'm ready for more  
Don't slow it down  
Wanna give you my all  
Don't stop this now  
'Cause I'm ready for more  
I'm ready for more

You've got me feeling so  
Krazy  
You got me doin' things  
I've never done before  
You've got me feeling so  
Krazy  
How you make me (how you make me)  
Keep coming back for more

You've got me feeling so  
Krazy  
(How you make me)  
Coming back for more  
(I never done before)  
Krazy  
How you make me  
Keep coming back for more

You've got me feeling so
