I don't need no ones approval
Cause I know that no one can do it like me
Eye's up on me
And I see the lookin' as I enter swingin' that thing

Better stay out of my lane, lane
Cause I'm the one running this game, game
They'll be knowing my name, name
Cause I'm tough
I can't be tamed

A high achiever
A true believer
Can't compete
Cause I'm supreme
I'm the leader
I do it better
Do my own thing
Supreme

Supreme

Do it better
Do my own thing

I bring the fuego
I stop the inferno
Cause I got the flavor and sauce
Spicy and chilly
Sombrosa, you want me
Cause I raise the heat
I'm the boss

Better stay out of my lane, lane
Cause I'm the one running this game, game
They'll be knowing my name, name
Cause I'm tough
I can't be tamed

A high achiever
A true believer
Can't compete
Cause I'm supreme
I'm the leader
I do it better
Do my own thing
