

When they hit you hard you gotta roll with the punches
When the going gets tough

They tell me no, but I don't listen
Oh, I say no no no, don't tell me where to go
I march along to my own rhythm
I'ma do it my own, they don't got a thing to say

If they knock me down then I'ma get back up
I'm not as weak as they think [?]
No they don't see it when I throw a right hook
Oh buddy, no no no, I'ma leave them black and blue

When they hit you hard, you gotta roll with the punches
Stay quick on your feet and let 'em know
'Cause when the times are rough, that's time to show 'em
When the going gets tough, the tough get going

When the going gets tough, the tough get going
When the going gets tough

Put up a fight, I'll keep them dancing
Gotta stay on my toes, never know which way they go
Oh, I'm not shy, I got the fire
Nobody stopping me 'cause I was born ready

If they knock me down then I'ma get back up
I'm not as weak as they think [?]
No they don't see it when I throw a right hook
Oh buddy, no no no, I'ma leave them black and blue

When they hit you hard, you gotta roll with the punches
Stay quick on your feet and let 'em know
'Cause when the times are rough, that's time to show 'em
When the going gets tough, the tough get going

When the going gets tough, the tough get going
When the going gets tough, the tough get going
