

Until I Die

VAST

I'll be your shelter
I'll be your rain
When you are crazy, I'll be sane
When you are dangerous, I'll let you go
You know I should

I want to stay with you all my life
I want to be with you until I die
Until I die

When you are naked, I'll bring you some clothes
When you are needed, I won't leave you alone
When you are dangerous, I'll let you go (You know I could)

But I want to stay with you all my life
I want to be with you until I die
Until I die

I want to stay with you all my life
I want to be with you until I die
Until I die

Until I die.
