

# I Wish I Didn't Love You So

Vaughn Monroe

I Wish I Didn't Love You So,  
My love for you, should have faded long ago.  
I Wish I Didn't need your kiss,  
Why must your kiss, torture me as long as this?

I might be smiling right now,  
With some new tender friend.  
Smiling right now with my heart on the mend.  
But when I try,  
Something in my heart says "No".  
You're still there,  
I wish I Didn't Love You So.

But when I try,  
Something in my heart says "No".  
You're still there,  
I Wish I Didn't Love You So.

I Wish I Didn't Love You So.
