

Main Event

Vaughn Monroe

I gotta thank my luck stars above
Hurry, hurry don't be late
Cause I can't wait
We got a first rate act
It's evident when we make love
The main event

You're my every thought
You're my own attraction
You must be heaven's saint
You give me so much satisfaction
(You're the one)
You make life worth fighting for
You're the one-ah!
And there is nobody quite like you
Baby, you're the one...

I gotta thank my luck stars above
Hurry, hurry don't be late
We got a first rate act
It's evident when we make love
The main event
You're my everything
And it's my conclusion
There is no sweeter scent
When you have found the right solution
(You're the one)
You make life worth fighting for
You're the one-ah!
And there is nobody quite like you
Honey, you're the one

I gotta thank my luck stars above
Hurry, hurry don't be late
We got a first rate act
It's evident when we make love
The main event
