

## My Devotion

Vaughn Monroe

Is endless and deep as the ocean  
And like a star shining from afar  
Remains forever the same

Is not just a sudden emotion  
It will be constantly burning  
And your love will kindle the flame

What a sweet beginning  
To the dream I planned

I'm content to be your slave  
Your wish is my command

And this sensation  
Was never a mere fascination  
Here in my heart one sweet day it started  
Then with time improved  
My devotion to you.
