

Wonder Why

Vaughn Monroe

I said why, did ya ever even try?
infiltrate but never find
You left me so damn lonely

steppin back to when we rhymed
Maybe recreate the times
You were shy but happy
And we were fine and dandy

Here we are again, oh
But backseat love dont move me
Im just far too choosy.

Stop, drop, go through, open up the letter
Dont you want to make it any better
Baby dont you ever wonder why
Back up, its not that I think you're clever
I just know that we could do much better
Baby, dont you ever wonder why
I was never by your side

Sigh, take a deep breath and rewind
Bite your tongue and let it slide
Got to see a doctor
Maybe that will shock ya
Love dont die, no
Especially when it penetrates and leaves you blind
And shaking mad and reckless
Got you feeling breathless

Here we go again
The backseat love dont move me
Im just way too choosy
Im just way too choosy

Stop, drop, pull through, open up the letter
Dont you want to make it any better
Baby, dont you ever wonder why
Back up, its not that I think you're clever
I just know that we could do much better
Baby, dont you ever wonder why
I was never by your side
