

## everything sucks

vaultboy

Everything sucks, just kidding  
Everything is great, no really  
I haven't thought about my ex today, oh wait  
(Fuck, I just did)  
But I went outside for the first time  
In a few days and it felt nice  
And I might try doing exercise  
(Haha, not really)

I wanna forget my bad days, all my bad days  
And be okay, and be okay  
Spend my spare change down at the arcade  
And then I'll say, I'll say

Everything sucks, just kidding  
Everything is better than it used to be  
I didn't write a song about my ex today  
(Oh wait, um)  
But I called my friends and I told them  
We should hang out if it makes sense  
'Cause I miss them and I hate being alone  
(No, really)

I wanna forget my bad days, all my bad days  
And be okay, and be okay  
Spend my spare change down at the arcade  
And then I'll say, I'll say  
I wanna forget my bad days, all my bad days  
And be okay, and be okay  
Spend my spare change down at the arcade  
And then I'll say, I'll say  
I wanna forget my bad days, all my bad days  
And be okay, and be okay  
Spend my spare change down at the arcade  
And then I'll say, I'll say  
Everything sucks

(Just kidding)
