

this is heaven, this is hell

vaultboy

I know how this story ends
We make love and we pretend
Everything is going well
We love lying to ourselves
This is heaven, this is hell, ay yeah
This is heaven, this is-

Sweet dreams, good nights
Holding you close 'til the sun rises
Love so sweet but it's so blindin', so blindin', yeah
So good for a while
We can see what's coming but we're still smilin'
All the right feels but the wrong timin', wrong timin', yeah

If you love someone, if you love someone
Gotta let them go
And they might come back, yeah, they might come back
But you just don't know
If you love someone, if you love someone
Gotta let them go
But I don't wanna let you go

I know how this story ends
We make love and we pretend
Everything is going well
We love lying to ourselves
This is heaven, this is hell, ay yeah
This is heaven, this is-

Train rides, goodbyes
Hoping that this isn't for the last time
Don't know who we're kidding if it's not right, then it's not right, yeah
Look in my eyes
I try to cut the tension with a punchline
But this isn't a movie, this is real life, real life

If you love someone, if you love someone
Gotta let them go
But I don't wanna let you go

I know how this story ends
We make love and we pretend
Everything is going well
We love lying to ourselves
This is heaven, this is hell, ay yeah
This is heaven, this is hell

(Hell, oh)
Da da da da da da da
We're just lying to ourselves
This is heaven, this is hell, ay yeah

I know how this story goes
We pretend like we don't know
We were never doing well
We love lying to ourselves
This ain't heaven, this is hell, ay yeah
