

what do i know?

vaultboy

(What do I know?)

You're a sunflower
Growing in a cityscape
The only thing that's growing in the shade
I'm a glum loner
Somehow you and I became
So lucky we can feel something that makes us so afraid

We'll throw it all away

When I'm in your city and I'm holding you close
And the only thing we're thinking is where it's gonna go
To the unknown
Could be love maybe, but what do I know?
Oh, I know
That you look so pretty when you're rolling your eyes
Yeah, the way you're kissing on me like we won't say goodbye
If it's right though
Could be love maybe, but what do I know?

We're a northbound train
Headed where we've never been
But we can play pretend like it's never gonna end
In our heads
We'll treat the future like it's something we can bend
And act like we're not afraid

We'll throw it all away

When I'm in your city and I'm holding you close (And I'm holding you close)
And the only thing we're thinking is where it's gonna go
To the unknown
Could be love maybe, but what do I know?
Oh, I know (That, ah)
That you look so pretty when you're rolling your eyes (When you're rolling y
our eyes)
Yeah, the way you're kissing on me like we won't say goodbye (Won't say good
bye)
If it's right though
Could be love maybe, but what do I know?
Could be love maybe, but what do I know?

Love maybe, but what do I know?
Love maybe, but what do I know? (What do I know?)
Could be love maybe, but what do I know?
I know, I know

I might stay a while
It was only a night (Oh)
Now I'm changing my flight (Mm)
Oh, I wanna be by your side

When I'm in your city, mm
And I'm holding you close (Mhm, oh)
Could be love, could be love, could be love

'Cause you look so pretty when you're rolling your eyes (Could be love)
Yeah, the way you're kissing on me like we won't say goodbye (Won't say good
bye)
If it's right though
Could be love maybe, but what do I know? (Oh, ah)
Could be love maybe, but what do I know?

(Need somebody, oh, I need somebody-body)
Love maybe, but what do I know? (Ah)
(Need somebody, oh, I need somebody-body)
Love maybe, but what do I know? (Ooh)
(Need somebody, oh, I need somebody-body)
Could be love maybe, but what do I know? (Oh)
(I need somebody)
(Yeah, yeah)
