

## why u gotta be like that

vaultboy

Why you gotta be like that?

So back and forth, I don't know if you're bored  
You want nothing then more, ah  
Say something should change, but you just stay the same  
I can't see in your brain, ah

Every time we kiss I ask you  
Why we do this every time?  
You say that you're just having fun, well

Why you gotta be like that?  
Late night calling my phone  
Telling me you wanna get close, ah  
There you go giving me hope, I don't know  
Why you gotta be like that?  
Always coming on too strong  
Never wanna stay too long, ah  
Then you say that if I fall  
Then it's all my fault  
Yeah, why you gotta be like that?  
(Why you gotta be like that?)  
Why you gotta be like that?  
(Why? Why?)

Can't call it friends, yeah 'cause it always ends  
With you bending all your rules, ah, I know  
That it's kinda sadistic and I'm masochistic  
You push me away, then you say that you miss it  
I shoulda learned by now that I can't figure you out, 'cause

Every time we kiss I ask you  
Why we do this every time?  
You say that you're just having fun, well

Why you gotta be like that?  
Late night calling my phone  
Telling me you wanna get close, ah  
There you go giving me hope, I don't know  
Why you gotta be like that?  
Always coming on too strong  
Never wanna stay too long, ah  
Then you say that if I fall  
Then it's all my fault  
Yeah, why you gotta be like that?  
(Why you gotta be like that?)  
Yeah, why you gotta be like that?  
(Why? Why?)
