

Designer

VAV

I like the way you groove it
Oh my, way too much
Seumyeodeureo neoeye dan han beonppunin Touch
Kkumiji ma ige ne seutairiya
I mean it I mean it neoui geudaeroga

Here I go again baby
Neon hanaman gieokae
I'm not gonna fade away
Thinkin' bout you day by day
Baby just leave it to me right away

Hola lindo attractive kkeureodanggyeo nau siseon
No imitative yuilhan Feel
Jonjaega Runway hanmadiman Just say yes
Name tagen My name all day

Haruman deo neol algo sipeo
Neoui sumeun gachi neoui sumgyeolkkaji
You're my everything
Ttarawa I can make you glow
Wherever I go

Take up on me
You look sexy my designer
Take up on you
You look sexy my designer
I got you baby neoreul wonhae
Just wanna see your dancing baby

Neo hana geudaero Masterpiece
Sesangen uri danduri
Sumgiji ma Show me everything you've got

Take up on me
You look sexy my designer
I'll give you everything everything oh my lover

Nae apeseo Don't be like that
Bonita what you looking at
Siseonmajeodo Having heart attack
Can we take it to the other step

Gotta make a design
Baby that's right
Honest inspiration baby, last night
Geoljageul saegin New move
The way that you vroom
Deo naege Zoom
Nege jungdok Boom boom boom

Naeye wajwo One more day
Tell me baby what you've said
Jigeumbuteon No more play
Gyeolguk naeye dasi doraoge dwae

Wait a minute

Designer you got that
Jabiroun neoui nalgae Who shot that
Irwo deo biteulbiteul ikkeullideut jigeum
Neodapge georeo
Let's make it right now

Haruman deo neol algo sipeo
Neoui sumeun gachi neoui sumgyeolkkaji
You're my everything
Ttarawa I can make you glow
