

## Take Heed

**Vaya Con Dios**

The seed you sow That's what you gonna reap The seed you sow That's what you gonna reap The seed you sow That's what you gonna reap The seed you sow That's what you gonna reap

Mankind take heed Take heed take heed mankind Mankind take heed For the seed you sow mankind That's what you shall reap Take heed take heed mankind Mankind take heed For the seed you sow mankind That's what you shall reap

You can't plant corn and reap yam I said you can't plant corn and reap yam The fruit from your labour That's what you gonna eat The fruit from your labour That's what you gonna eat

Mankind take heed Take heed take heed mankind Mankind take heed For the seed you sow mankind That's what you shall reap Take heed take heed mankind Mankind take heed For the seed you sow mankind That's what you shall reap

From creation Man has caused destruction From creation In every generation Dispensation
