

Ready For The World

VCHA

There's a thrill that I like
And it's taking over my mind
Not knowing what is waiting on the
Other side of this door
But I turn the doorknob
And I'm telling me to unlock
This fire in me is burning deeply
And I can't wait anymore

Yes I got doubt sitting in the back of my mind
Tryna pull me behind
But I ain't trying to hear it no no no
Rise or fall, make or break, I don't care
Either way I ain't scared
I just gotta give me
Give me a chance

I'm ready for the world
Is the world ready for me
I wanna see the world
Does the world wanna see me
I'm ready for the world
Is the world ready for me
I wanna see the world
Does the world wanna see me

I got an ace in my pocket
And I'm ready to show it
And there's an itty bitty chance that I just might blow it
But I got time on my side so there's no need to hurry
I'll enjoy the ride, what's the worry
I know I'll be fine
A few scars won't stop me to fight
Cause all I can do is trust myself to
Rise when I fall every time

This doubt sitting in the back of my mind
Tryna pull me behind
But I ain't tryna hear it no no no
Rise or fall, make or break, I don't care
Either way I'm not scared
I just gotta give me
Give me a chance

I'm ready for the world
Is the world ready for me
I wanna see the world
Does the world wanna see me
I'm ready for the world
Is the world ready for me
I wanna see the world
Does the world wanna see me

We go
Each day every night
Having the time of our life
Let's get it (let's get it)

Let's get it (let's get it)
Work hard play hard
Ain't no reason we would stop
Let's get it (let's get it)
Let's get it (let's get it)
It's on the tip of my tongue I can't taste it
It's in my reach and I'm not gonna waste it
It's now or never, so I go
I can take it and I know
So let's go
Cause you know yeah

I'm ready for the world
Is the world ready for me (Is it ready for me?)
I wanna see the world
Does the world wanna see me (Does it wanna see me?)
I'm ready for the world
Is the world ready for me (Coming on to the scene)
I wanna see the world
Does the world wanna see me (You better get ready)
