

Changed

VEDO

Used to say baby
Used to stick by me
Used to roll up the swisher, light it right be side me
You used to drive me crazy
Used to be my lady
Used to talk on the phone for hours
Sex drive was crazy
Used to like [?]
Used to hit my phone
I used to pull up on the [?]
You come to the door, no clothes on
Used to touch on me
Used to say hold me
You used to condone me, now you acting phony
Girl

You changed girl (you changed)
You changed girl (you changed)
You changed girl
No, no, I ain't changed girl
You changed girl (you changed)
You not the same girl
You not laying naked in my bed no more so
I know you changed (we don't make love no more)
You not the same
You used to love me, now everything is a problem
I got the proof, baby this is you
Girl, ain't no denying you

You used to say thank you
Used to be [?]
You used to just come through
Now you acting brand new
You used to be my [?]
Used to be my bonnet
Used to be your clock
Know you acting funny
You used to pull up, bring your friends for my niggas
We used to [?], that's how I know your favorite liquor
We used to hop up in the [?], hit the freeway
It ain't nothing I wouldn't do, so I got to admit to you
I can see you've changed

If I'm to blame, why you changed?
Tell me what can I do?
Life is the same, so [?]
Put my all into you
You know
Late nights in the back of the [?]

You changed girl (you changed)
You changed girl (you changed)
You changed girl
No, no, I ain't changed girl
You changed girl (you changed)
You not the same girl
You not laying naked in my bed no more so

I know you changed (we don't make love no more)
You not the same
You used to love me, now everything is a problem
I got the proof, baby this is you
Girl, ain't no denying you changed
