

It's Vedo baby

Like an old school Chevy
They don't make it like you
No more no more
Like a [?] leather
You know you worht much more
Girl I adore
So original
[?] that I would know
You know I feeling you
Baby you deserve a pedestal
Girl I'm out my mind over you

Them other girls, they're invisible
All I see is you
Like diamonds and pearls
You can put up like some love yeah
You deserve be kiss like princess
You breaking my heart like [?] (you breaking my heart)
You're unconditional, ambitious
Your body is a master piece

We can play a little moving game
Sip [?]
Girl I wanna rock with you
We can play a little luta, some kamasutra
Here and now
Turn off the lights (Turn 'em off)
Play a little Teddy, pull up some cali
Seems like you're ready tonight
I'm going down like Marry
Tonight it's gonn' be a classic

We can make the best of tonight
I can make it feel like it's 1996
Girl I'mma give you something to remember like Jordan and game sick
You're the MVP, only when I see, distinguish qualities
You deserve a ring
Them other chicks tryna copy, but can't nobody tap it

Them other girls, are invisible (Them other girls)
Don't compare to you woah
Like diamonds and pearls
You can put up like some love yeah
Give me a kiss like princess (give me a kiss)
We breaking my heart like [?] (you breaking my heart)
You're unconditional, ambitious
Your body is a master piece

We can play a little moving game
Sip [?]
Girl I wanna rock with you
We can play a little luta, some kamasutra
Here and now
Turn off the lights (Turn 'em off)
Play a little Teddy, pull up some cali

Seems like you're ready tonight
I'm going down like Marry
Tonight it's gonn' be a classic

Layback and let the music play
Let the rhythm take you away (Aah na na)
Create a couple memories and reminisce about the love we make (Wooah wooah)
Baby we can make a hit today, we can do it any kind of way
Let's treat tonight like a classic and make this love a [?]

Baby we can play a little moving game
Sip [?] (Ooh)
Girl I wanna rock with you (Woooah woooh)
We can play a little luta, some kamasutra
Here and now
Turn off the lights (Turn 'em off)
Play a little Teddy, pull up some cali (woo)
Seems like you're ready tonight (Seems like you're ready)
I'm going down like Marry
Tonight it's gonn' be a classic

Tonights it's gonn' be a classic (Tonights it's gonn' be a classic)
Ooh, what you think about it?
Baby let me show you that I got it (Turn off the lights)
Play a little Teddy, pull up some cali (Pull up some cali)
Seems like you're ready tonight
I'm going down like Marry
Tonight it's gonn' be a classic...
