

# Consistency

VEDO

I don't aks for much  
It's Vedo, baby

I don't aks for much  
Just clarification  
There's clear indication of pure dedication  
I hope you're the one  
I promise I'm patient  
My time, just don't waste it  
If I'm wrong, I'll say it

Look, I don't wanna be a burden on you  
Want you to be the best version of you  
Everything I offer, baby girl, will you reciprocate it?  
'Cause I don't wanna guess with you  
So baby, when we make this move  
If it's too much for you, maybe let me know

'Cause I just need consistency  
Baby, do you follow me?  
I don't aks for much  
I know you can see  
I just want consistency

Yeah, simple things  
We can have it all, girl, if we believe  
Baby, I provide with consistency  
I won't fall short

Matchin' my energy  
I mean what I say when I promise things  
Do what you want just don't lie to me  
And I will be all that you want and more

I'll give you everything  
If you give me one simple thing  
And if it's too much, let me know

'Cause I just need consistency  
Baby, do you follow me? (Follow, follow me)  
I don't aks for much  
I know you can see (I know you can see)  
I just want consistency  
I just want consistency
