VEDO

It's Vedo Baby

Yeah I like when she get nasty  
But I love when she keep it classy  
Yeah she like when I get nasty  
And I love when she call me daddy  
She not shy, yeah she want it when she want it  
Know she down to ride  
Yes her favorite position is the peace sign  
She be like daddy record it and rewind  
Then give me time

She gon make a mess when I go down  
So she get the best plus she make me proud  
She try not to scream and shout out loud  
Make that sound when you pull it out  
I like it better when you

Do it nasty  
Do it do it nasty  
Do it nasty  
She gone do it nasty  
Do it nasty  
Do it do it nasty  
Do it nasty  
I like it better when you  
Do it nasty  
I'm yo daddy  
Call me daddy  
Messing up the bed sheets  
Do it nasty  
Do it do it nasty  
Do it nasty  
I like it better when you

Do it with no hands when you in that stance  
Girl you ride it like a champ got me making plans  
I love it when you kiss it when you're done done uh  
Make you feel it in your chest when I go under uh  
Shawty you the greatest greatest  
Muhammad Ali wit the box  
You drive a nigga crazy crazy  
Then you make it disappear hocus pocus  
You don't ever lose your focus  
If you keep going when I'm done  
Fuck around give you a son ohh

She gon make a mess when I go down  
So she get the best plus she make me proud  
She try not to scream and shout out loud  
Make that sound when you pull it out  
I like it better when you

Do it nasty  
Do it do it nasty  
Do it nasty  
She gone do it nasty

Do it nasty  
Do it do it nasty  
Do it nasty  
I like it better when you  
Do it nasty  
I'm yo daddy  
Call me daddy  
Messing up the bed sheets  
Do it nasty  
Do it do it nasty  
Do it nasty  
I like it better when you

Do it nasty  
I'm yo daddy  
Call me daddy  
Messing up the bed sheets  
Do it nasty  
Do it do it nasty...
