

Why don't we do something different, baby?  
Dance for me seeing you naked's such a sight to see  
Don't play, girl, have your way with me, oh  
I'm gon' claim it, let them niggas know it's mine, girl  
Underwater soakin' wet between your thighs, girl  
I got a million things I wanna do to you  
Girl, I need you in my bedroom

Shawty, you can have it all  
All you gotta do is call and it's all yours, it's all yours  
I might stay in tonight, I won't let go  
But you gotta bring that energy, energy, oh

Girl, come get this energy  
Baby, can you match my energy?  
Baby, I can tell you're into me  
Girl, come get this energy, feelin' me, oh  
Talk that shit on the phone, keep that energy  
Said you can't wait to get me all alone, girl, keep that energy  
Girl, I'm freaky when I'm off the Patron, I bring that energy  
Girl, I need for you to match my energy, yeah

Talkin' wild on the phone, you was gassin'  
When we get all alone, camera, action  
I'ma hit every spot you imagined  
Keep that energy, time to show me what you feeling out loud  
Drop that pin, slide right in, babe, say less  
Soon as I'm in that body, I'ma make it confess  
Swear I wanna hit that all day  
Mix it up, intertwine, feng shui (Drippy)  
Talk about exceedin' expectations

Shawty, you can have it all  
You know that's a easy call, girl, it's all yours, it's all yours  
I might stay in tonight, I won't let go  
But you gotta bring that energy, energy, oh

Girl, come get this energy  
Baby, can you match my energy?  
Baby, I can tell you're into me  
Girl, come get this energy, feelin' me, oh

Baby, we can reach our full potential  
Baby, I can do whatever but I need you on my level  
I'll take my time  
But I gotta know if you're willing to go

Girl, come get this energy  
Baby, can you match my energy?  
Baby, I can tell you're into me  
Girl, come get this energy, feelin' me, oh  
Talk that shit on the phone, keep that energy  
Said you can't wait to get me all alone, girl, keep that energy  
Girl, I'm freaky when I'm off the Patron, I bring that energy  
Girl, I need for you to match my energy, yeah
