

You know what they say, find somebody who gon' ride for you, ride for you  
It's Vedo, baby

I fuck with shawty 'cause she bought a business  
She independent and she's on a mission  
Been through some shit, but now it's better livin'  
I know that's she's putting some time (You remind me of me, girl)  
She gets fly like, yeah she rock like me  
And she can boss up and stunt them bitches, my type wifey  
She ain't never let you see her sweat  
You ain't gotta like her but I bet you gon' respect

She got everything, no she don't need you  
If she hold it down you better keep up close  
She one of a kind, no second guessing, baby I like it down

Lil mama my equal  
She can pay her way  
She ain't gotta wait for you  
Shawty my equal  
She be on some bar shit, I be on the same shit too  
And she got her own bag and it's Birkin  
I can save mine, she be working  
She don't really need a nigga but I know she want me  
If we ever break up, shawty will still gon' be my homie  
Yeah shawty's my equal

She gon' pop off so watch what you say  
Always a vibe, 'cause we feel the same  
Can't lie lil' mamma, know she got a maid  
Don't ask for nothing, just someone to trust in  
I still do my thing for her (I still do my thing for her)  
The whip she got, I paid for  
She know what it's made for  
So every chance that I get I go out my way

She got everything, no she don't need you  
If she hold it down you better keep up close  
She one of a kind, no second guessing, baby I like it down
