

Fine Shyt

VEDO

Yeah
Yeah, yeah, yeah, yeah
Oh (\$K)
It's VEDO, baby

Skin from the gods (Ooh-wee)
Hair down her back
A little waist, thick thighs
Some pretty brown eyes
I'm with some super fine shit
Yeah, yeah, yeah, yeah
I'm with some super fine shit
Yeah, yeah, yeah, yeah

She do it effortless and she don't need no help
It don't matter what the season, baby do it well
She's such a sight to see, right here next to me
She's so confident, she compliments my everything
Girl, you get all my time 'cause you bring me peace
Now I put rings on it, them things on it for the world to see
Let me upgrade your life, show you finer things
Girl, I'd be damned if I don't show off what I found
I'm talkin'

Skin from the gods (Ooh-wee)
Hair on her back (Yeah)
A little waist, thick thighs
Some pretty brown eyes
I'm with some super fine shit
Yeah, yeah, yeah, yeah
I'm with some super fine shit
Yeah, yeah, yeah (Come on)
Pretty white smile, match her toes and her nails
Rock the heels or the flats
Either way you can tell
I'm with some super fine shit
Yeah, yeah, yeah, yeah
Oh, she's some super fine shit
Yeah, yeah, yeah, yeah

Even with her clothes on, you know she fine as hell
So I can't help it, I can't keep my hands to myself
When you rock that pixie cut, girl, you give 'em hell
And when you take that eighteen-
inch out that bonnet, you be feelin' yourself
Either way, it's fine by me, girl, just be yourself
Lovin' the way that you walk, talk, pop out, baby, you fine as hell
Girl, you upgrade my life, so you get the finer things
And I'd be damned if I don't show off what I've found
You know I'm talkin' (Ooh-wee)

Skin from the gods, hair down her back (Yeah)
A little waist, thick thighs
Some pretty brown eyes
I'm with some super fine shit
Yeah, yeah, yeah, yeah
I'm with some super fine shit

Yeah, yeah, yeah, yeah (Ooh)
Pretty white smile (Come on)
Match her toes and her nails (That's right)
Rock the heels or the flats (Ooh-wee)
Either way you can tell
I'm with some super fine shit
Yeah, yeah, yeah, yeah (Yeah, yeah)
Oh, she's some super fine shit
Yeah, yeah, yeah, yeah
