FOREVER

VEDO

Times are crazy
But your lovin' doesn't feel that way
I'm glad you made it love
Together I don't feel the pain ohh

I don't think it's wise
To confide in someone who ain't true
And you ain't gotta lie
I know the world is comin' down on you too

I don't mind bein' used as a place to escape to
Now I know there is love after pain and you're the proof
Yeah yeah yeah yeah

Let's make it forever girl
Not just for this moment
I'll be yours forever girl
Say yes and we can own it
You have all the leverage girl
I'm yours if you want it
Let's make it forever girl

All you gotta do is say
Yes yes yes yeah yeah yeah
All you gotta do is say
Yes yes yes yeah yeah yeah

You're amazing
You're perfect just the way he made you
I'm so elated
To be calling you my everything
I'm talking everyday

He was gracious ohh
I'm grateful he sent you my way
I'm motivated
It's my job to keep you elevated ohhh

I don't mind bein' used as a place to escape to
(Oh no I don't mind babe)
Now I know there is love after pain
And you're the proof (Ohh yeahhh)

Let's make it forever girl
Not just for this moment
I'll be yours forever girl
Say yes and we can own it
You have all the leverage girl
I'm yours if you want it
Let's make it forever girl (Yeah)

All you gotta do is say
Yes yes yes yeah yeah yeah
All you gotta do is say
Yes yes yes yeah yeah yeah
