

I Need You

VEDO

It's VEDO baby

I need your mercy
I need your presence though I don't feel worthy (yeah)
I need your guidance
I wanna walk by faith and not by
Sometimes I get lost and I feel ostracized
And get pushed aside
This time I'ma satisfy what I need inside
Here's why

'Cause every single time I call on you
You're the only one that follows through
I need you, Lord, can I be next to you? (you)
And every single time I follow you
You always seem to lead me to the truth
I need you, Lord, can I be next to you?
Lord

Oh, Lord I need you
I need Your love right now
Oh, yes. I do
Oh, I need Your love
I need Your love right now

I need you for my family
I need you for my peace and clarity
I need you if I'm gon' keep climbing
Get rid of addiction, something's missing
I'ma meet up in the
I'ma need you
I've been running for too long
I wanna have your grace and be near you
I wanna stand next to your throne

'Cause every single time I call on you
You're the only one that follows through
I need you, Lord, can I be next to you?
And every single time I follow you
You always seem to lead me to the truth
I need you, Lord, can I be next to you?
Lord

Oh, Lord, I need you
Lord, I need you
I need Your love right now
Right now, right now
Oh, I need Your love
I need Your love right now

Lord I need you
I've been going through it really need to see you
I've been running it up trying to get a preview
But you told me to come home yeah I need you
I was out there having motion, feeling broken
Know you wanted my devotion 'cause I'm chosen
I was feeling lonely soul

When I called on your name know I'm not alone

I'm trying to trust your vision
I'm trying to find my mission
'Cause I've been feeling down
Just put my cousin in the ground

My momma crying for me
She praying that I don't die in the street
And I know you got a purpose for me
Waited too long it's time to come back
Yeah yeah yeah

Oh, Lord, I need you
I need Your love right now
Oh, yes. I do
Oh, I need Your love
I need Your love right now

Lord I need you
Yeah yeah
Lord I need you
Yeah yeah
Lord I need you
Yeah yeah
I really need you
I really need you

Put your hands in the air if you need Him
Yeah yeah yeah
Put your hands in the air if you need Him
Yeah yeah yeah
Scream loud if you need Him
Yeah yeah yeah
And be proud if you need Him now
