

**IFWU**

**VEDO**

Oh, yeah, baby  
You know that I fuck with ya  
It's Vedo, baby

I know you're stuck in your ways, yeah  
Them otha niggas let you do it  
So I can't blame ya  
I know when you lie  
I know when you on that bullshit  
I just let it fly  
Keep it cool  
I know how I get  
But then we

Fight and we break up  
Fuck then we make up  
Pullin' your hair  
Grippin' your waist  
Pillowcase full of your makeup  
And I hit your phone like  
Bring your ass home like  
You be makin' me mad  
But baby you're mine  
We gon' be alright  
You got me like  
Girl you're childish  
And you play too much  
Keep on playin' and we breakin' up, yeah  
Girl I'm playin'  
I can't give you up  
You do somethin' I can't get enough of lil mama

That's why I fucks with you  
Even though from time to time  
A nigga don't fuck with you  
Even though I know you lyin'  
I play a fool for you  
I keep that shit to myself  
Don't wanna see you with' nobody else  
Ahh baby you know that I  
I fucks with you  
(Even though sometimes I don't)  
I fucks with you  
(I fucks with you)  
I fucks with you  
(I fuck with you)  
I fucks with you

We gon' argue  
You gon' leave  
And say you'd be back  
I scream I hate you  
When you know that  
I don't mean that  
I know sometimes I don't know what to say  
But boy you know that I'm stuck in my ways  
I be talkin' 'bout all these otha' niggas

Every time we have fight  
Get mad and throw that shit in your face  
Oh, I  
And now we play this game on  
Who gon' text  
Who first  
I'm so petty  
You so stubborn  
Man that shit  
Get on my nerves  
But you know two  
Can play that game  
Without you  
It ain't the same  
And every time  
My cellphone rings  
I'm lookin' at that  
Hope it say yo' name  
It's like every otha' day  
When we be breakin' (ahh yeah)  
Love it when you put it on me  
When we makin' up (uh huh)  
Grab my neck  
Scratch your back  
When we makin' love  
Just can't get enough

That's why I fucks with you  
Even though from time to time  
A nigga don't fuck with you  
Even though I know you lyin'  
I play a fool for you  
I keep that shit to myself  
Don't wanna see you with' nobody else  
Ahh baby you know that I  
I fucks with you  
{Even though sometimes I don't}  
I fucks with you  
{Even though sometimes I don't}  
I fucks with you  
(I don't I don't)  
{I fucks with you}
