

It's Not True

VEDO

Kid Classic
VEDO, baby

I got a boo thing, that's my new thing
On a new wave in her own lane
And she do things, a few things
Always in pocket like loose change
She give me everything I want
But is it really what I need?

Whoa-oh-whoa
Oh-whoa, oh-whoa
And for all the times I spent complainin'
Now I'm thinkin', I must be crazy
'Cause I'm lookin' in my rear view
Realizin' that I miss you, whoa
I may never kiss you, again

And maybe it's true
That can't nobody love me like you
And can't nobody fuck me like you do
I hope it's not true
Am I a fool?
To think that somebody could love me like you
Somebody could touch me like you do
I really hope it's not true
It's not true

'Cause if it is, I might be the craziest man livin'
To give up someone who was so different
From your verbiage's I could have
No, I don't wanna be stuck in my past
She told me, "Boy, just keep on livin'
'Cause one day, I'm sure that you gon' miss it"
I don't wanna be goin' out that bad (Goin' out that bad)
I don't wanna end it like that, oh

And maybe it's true (Oh, baby, yeah, yeah)
That can't nobody love me like you (Can't nobody love me like you)
And can't nobody fuck me like you do
I hope it's not true
Am I a fool?
To think that somebody could love me like you
Somebody could touch me like you do
I really hope it's not true
It's not true

Ooh
I just gotta be honest, baby (Ooh-ooh, ooh-ooh)
That I made a big mistake (Ooh-ooh, ooh-ooh)
I walked away, I gotta be crazy, yeah, oh, ooh (Ooh)
I apologize, oh-whoa (Ooh-ooh, ooh-ooh)
And I hope it's not too late to make it all back right (Ooh-ooh, ooh-ooh)
And I'm beggin', baby
Oh, oh, oh-oh-oh
