When we play, ain't no rules  
I'ma make it juicy for you  
Put this pussy on you

I want to see that other side, oh  
Can you ride it like it's 85? Ouu  
Open up, I see that pussy smile  
Ouu, it's tight, I know it's been a while  
Handful of that ass, girl, let's take it there  
Can tell the way that you walk, ain't no underwear on  
Put it on my face, girl, I love the way you taste  
Glad that I got you right here

Ain't no leftovers, he ate it all  
Mouth with no teeth, got that lockjaw  
Sweet tooth snack, it's your favorite
