

Luv To A Fck Song

VEDO

I just want a girl who gon' fuck me like a thot
Hit it from the back in my brand-new drop
Fuck her with my chains on like I'm 2Pac
Making love to a fuck song, please don't stop

Aw yeah, not yet, please don't stop
Making love to a fuck song, please don't stop
Aw yeah, right there, girl, don't stop

Knock it out the frame make the bedroom rock
Making love to a fuck song, please don't stop

Gripping on that ass with some passion
She do everything the song say, nasty
I love it when you do that shit with passion
I ain't gassin', now I see why you was braggin'
Ooh, ooh, you got a nigga tryna to spend that on you spin back on you
And the way you do it to the beat
Girl, you got me thinking I might spoil you

Sexing all night and day
Take it all girl, have your way with me
She bring it back like she the DJ

Hit it from the back in my brand-new drop
Fuck her with my chains on like I'm 2Pac
