

Make Me Wanna

VEDO

Yeah, oh
It's Vedo, baby

Baby the GOAT, hey
Always on go, aye
And I never question if she was the one, I already know aye
She been givin' that real love
Unconditional, I'm with you yeah
It's team us, every flaw you know I'm embrassing them all
Whenever you call, I'm gon' silde, oh, drive by
I'll break the fall, right behind or beside you
You kept it G so you get all of me girl, I
I know you're the one

So if I got to cross that line with you
I'll whatever it takes girl, I'll be on my way
Ain't no second guessing girl, I got a thing for you
You a queen, get your king, join the team [?]

Girl let me make you mine, oh mine
Why we wasting time, I'm done [?]
I'm trying to put in time, no lie
Girl why you so damn fine, I can tell he took his time
You make me wanna come through, come through, yeah
You make wanna tell the world about you yeah
Girl I can't wait to love you, touch you yeah
Girl you make wanna turn you into a mama
You make me wanna

Throw a bag, have some cash, you deserve it
Pop some tags, Prada bag
You've been working, oh no
I don't brag, we just looking bae
I might start a little family
All that ass gon' push me back
Hope I don't come up too rude and too honest babe
I got some things on my mind we should conversate
You kept it G, so you get all of me girl
I know you the one

So if I got to cross that line with you (Oh baby)
I'll whatever it takes girl, I'll be on my way
Ain't no second guessing girl, I got a thing for you
You a queen, get your king, join the team [?]

Girl let me make you mine, oh mine (Make you mine, make you mine)
Why we wasting time, I'm back in your life
I'm trying to put in time, no lie (No lie)
Girl why you so damn fine, I can tell he took his time (Oh no)
You make me wanna come through, come through, yeah (Come through yeah, yeah)
You make wanna tell the world about you yeah
Girl I can't wait to love you, touch you yeah (No, no, no, no)
Girl you make wanna turn you into a mama
You make me wanna

Make it all about you, about you
Like it down, settle down, keep it true (Keep it through no)

Tell the world about you, oh no
Hold me down, and tell the world I got you

Girl let me make you mine, oh mine
Why we wasting time, I'm [?]
I'm trying to put in time, no lie (Put in time, put in time)
Girl why you so damn fine, I can tell he took his time
You make me wanna come through, come through, yeah (Come through, come through)
You make wanna tell the world about you yeah (Tell the whole world)
Girl I can't wait to love you, touch you yeah
Girl you make wanna turn you into a mama (You make me)
You make me wanna
