Shawty classy with a freaky side

Real one, make you boss up

Oh yeah, sex so good might get a Birkin

She deserve it, freaky nigga eat it early, neighbors heard me

Yeah, yeah

5'5, brown eyes, that's that shit that I like

Yeah, good brain, queen vibes, I might make her my wife

You remind me of my Jeep

With Forgiato's on her feet

You remind me of the top down, summertime

You know what it is

You might get some kids, if we chill

Girl you're giving me the vibes

I can tell you got a freaky side

Plus you respected everywhere that you go

I need that energy, girl just let me know

Girl I must admit, you're giving me the vibes we should link up

It's only one thing I can think of
