

Yeah

It's VEDO, baby

I ain't tryna sell you no dreams (No dreams)
But I got everything you need (You need)
Maybe it's a shoppin' spree, I can do that
I can provide you peace, let me do that
And we can switch up the tempo (Oh-whoa)
Follow me, baby, just let me lead
Take you where you wanna be
It can all be so simple
Don't go against the beat
My hands on you, your hands on me

The scent of your body is stuck on my clothes, I know, I know
It's all in my head, I can't wait to get you back home, home
And girl, I'll be

Kissin' your body, touchin' all over, makin' love to your mind
I can see the fire burnin' when I look in your eyes
Don't make me wait, don't make me chase
Ride the rhythm, ride the rhythm
Kissin' your body, touchin' all over, makin' love to your mind
I can see the fire burnin' when I look in your eyes
Don't make me wait, don't make me chase
Ride the rhythm, ride the rhythm

Here we go again
You know where you wanna be
Set your mental free, don't worry 'bout what used to be
Here we go again
Girl, let's create what we wanna see
Baby, let the vision breathe
Friends with benefits (Ay), tons of benefits (Ay)
We gon' have 'em watchin'
Girl, get into this (Ay), so magnificent (Ay)
Tell me who gon' stop this?

The scent of your body is stuck on my clothes, I know, know, know
You're all in my head, I can't wait to get you back home, home
And girl, I'll be (Woo)

Kissin' your body, touchin' all over, makin' love to your mind (Love to your mind)
I can see the fire burnin' when I look in your eyes (Look in your eyes, yeah)
Don't make me wait, don't make me chase
Oh, ride the rhythm, baby, ride the rhythm
Kissin' your body, touchin' all over, makin' love to your mind (Love to your mind)
I can see the fire burnin' when I look in your eyes (Look in your eyes)
Don't make me wait, don't make me chase
Oh, ride the rhythm, baby, ride the rhythm

Kissin' your body, touchin' all over, makin' love to your mind
I can see the fire burnin' when I look in your eyes
Don't make me wait, don't make me chase

Ride the rhythm, ride the rhythm
Kissin' your body, touchin' all over, makin' love to your mind
I can see the fire burnin' when I look in your eyes
Don't make me wait, don't make me chase
Ride the rhythm, baby, ride the rhythm, girl (Woo)
