

# Roll One

VEDO

It's Vedo, baby

Can you feel that love when I  
When I take you there, babe  
I'm gon' take my time so  
You can love me back  
You know I want you in the worst way  
You know I love to see you work, babe  
You're such a natural high  
Like you fell from the sky

I love the way you break it down for me  
Make a sound for me, pass it around to me  
Girl, no mistaking, this was meant to be  
Baby, it's you and me, hell of a combination

Maybe we can roll one  
(Oh, oh no)  
Ignite the room, let's roll one  
Yeah  
Forget about today, let's  
Blow it all away and roll one  
Oh, oh  
Baby, we should roll one  
Yeah  
And let it love you back

You pick the destination, I'm the transportation  
Girl, let's levitate gone pull it slow  
Ain't nothing better when you  
Let me pack it all in  
Maybe let me know how much you want  
Girl, I can feel every part of your soul  
It make me feel like I done struck gold  
You're such a natural high  
Like you fell from the sky

I love the way you break it down for me  
Make a sound for me, pass it around to me  
Girl, no mistaking, this was meant to be  
Just bring some Hennessy, hell of a combination

Maybe we can roll one  
(Roll one)  
Ignite the room, let's roll one  
(Yeah, baby, oh)  
Forget about today, let's  
Blow it all away and roll one  
Oh, oh  
Baby, we should roll one  
Yeah  
And let it love you back

You twist so good, won't you roll up  
I want you right next to me  
So precise when you slice, shawty  
You know just what I like when you blow down

You gone take your time  
You gone blow my mind  
(My mind, oh)  
It's only you and me  
I got the Hennessey, hell of a combination

Roll one  
(Oh, roll one, roll one)  
Ignite the room, let's roll one  
(Roll it up, baby)  
Forget about today, let's  
Blow it all away and roll one  
(Forget about today, baby, let's roll one)  
Oh, oh  
Baby, we should roll one  
(We should, we should tonight)  
And let it love you back
