

Talk Yo Shit

VEDO

I'm gone always pick the phone up
No matter what I'm doing
Tell'em hold up
So you ain't gotta question
If it's real love
Make sure that you on your shit
I'm going ride for you
I'm proud of you
Look at you walking with a purpose
You ain't gotta change a thing girl
You're perfect come join a real nigga team
You deserve it girl
You looking like the blessing
I've been praying for Girl
His time is up let me boss you up

I want your body
Everything in between flaws
It don't matter girl
That's why you're a queen
Let me love you better girl
I swear you're something special
I'm gone take my time with you

I know this is gone
Make'em mad when you pull up with the bag
And all the bitches in your past
They didn't want to see you win oh no no
Now you havin' it girl
Gone and talk yo shit oh no no gone head Shawty
You know you deserve that
We got potential we ain't even scratched the surface
Couple niggas in your past they didn't wanna see you win oh no no
That was practice boo now gone and talk yo shit oh no no

I'm gone show you off
Show you off with confidence and tell'em all that's my baby
And I got it never let you fall
And I wish a nigga would now
You know about the hood out oh yeah
You got a bag now them bitches mad now
I put you on
You got your own
Don't look at tags now girl
What you won't gone
Get it all ain't no limit
Shawty I'll spend it all on you

I want your body
Everything in between flaws
It don't matter girl
That's why you're a queen
Let me love you better girl
I swear you're something special
I'm gone take my time with you

I know this is gone

Make'em mad when you pull up with the bag
And all the bitches in your past
They didn't want to see you win oh no no
Now you havin' it girl
Gone and talk yo shit oh no no gone head Shawty
You know you deserve that
We got potential we ain't even scratched the surface
Couple niggas in your past they didn't wanna see you win oh no no
That was practice boo now gone and talk yo shit oh no no

I want your body
Everything in between flaws
It don't matter girl
That's why you're a queen
Let me love you better girl
I swear you're something special
I'm gone take my time with you

I know this is gone
Make'em mad when you pull up with the bag
And all the bitches in your past
They didn't want to see you win oh no no
Now you havin' it girl
Gone and talk yo shit oh no no gone head Shawty
You know you deserve that
We got potential we ain't even scratched the surface
Couple niggas in your past they didn't wanna see you win oh no no
That was practice boo now gone and talk yo shit oh no no
