

The Pull Up

VEDO

Oh...

(It's Vedo, baby)

You don't know the difference, but you want something different, babe
I know what you missin' babe, don't care about no distance, babe
Let me pull up and fill your cup then drink you up then
Fuck on your mind
Ain't need to know about us, know that we fuck
All In the same room we don't speak
Keep it lowkey
I'm like, why try him he's probably not [?]
Put something inside of you
Baby, you get all my time

Baby it's the pull up, dropping down some good love
You don't got to say much, trust me girl I'm able
You gon' need to roll up when I spread them legs
Like I give a damn, get this benefits (You know what I mean)
Shawty is the pull up

Girl I know what's good to you, gon' let a nigga pull up
A couple of things I wanna do, you should let a nigga pull up
I got somethings on my mind, let me pull up, pull up
Pull up, pull up

You deserve rounds tonight
Satisfy my appetite
Your feminine hygiene excite me
Making you ice scream when I sing
Giving you slow strokes precisely
Love when you open up
Ain't need to know about us, know that we making love, when you ridin' so good
Make me curse, make you boss, yeah
Girl you dangerous, ain't no taming us
Just making love, baby this was made for us (Made for us)
So you know I'm pulling up

Baby it's the pull up, dropping off some good love
You don't got to say much, trust me girl I'm able
You gon' need to roll up when I spread them legs (Spread them legs)
Like I give a damn, get these benefits (Come get this benefits, benefits)
Baby it's the pull up, dropping off some good love (Dropping off some good love)
You don't got to say much, trust me girl I'm able (Trust me girl I'm able)
You gon' need to roll up when I spread them legs
Like I give a damn, get these benefits (Oh baby)
Shawty is the pull up

Girl I know what's good to you, gon' let a nigga pull up
A couple of things I wanna do, you should let a nigga pull up (Skrirt, skrirt)
I got somethings on my mind, let me pull up, pull up
Pull up, pull up
