

# Throw It Back

VEDO

It's Vedo, baby

One shot, two shot, three shot, out of spite  
Bust it down in her mouth  
Give it back, gotta bounce  
She just want a nigga with a bag, hey, hey  
Most niggas don't even get a pass, hey, hey  
She gon' bend it over like she dropped some'  
Break her back like a nigga chiropra'  
She like talk to me nice, aye, talk to me nice, yeah, yeah  
She don't want advice, she just want the pipe (Sish, sish)  
Champagne on ice, in love with the life  
PJ for the flight, just for the night

I can never switch on my niggas, that's a no no  
Every watch I bop, bust it down, it's a lightshow  
I hit every bitch at the party, that's a shotgun shell  
And they not gon' tell, keep it G  
I ain't going deep, bitch I'm ready  
VVS my stones, cost a eighty  
Know I keep it on me like an ID  
Know that she gon' ride, she gon' ride like a poney

Throw it back, throw it back, throw it back make it clap for them racks  
I make it rain on you, what you tryna do  
She's trying to ball like she's trying to go to school  
Break a leg like you want this money baby  
Make it clap, throw it back, like you trying to [?] baby  
Throw it back, throw it back

In love with the drip, in love with the drip, in love with the drip  
She know what it is, know what it is, know what it is  
I got a bag, couple in cash, I'm paying bills  
If she's showing ass, she's getting a pass, just being real

All of that ass, in that peak hole  
I got a bag, I'm a freak ol'  
Let's run it back, ain't got reload  
I blow a bag, stroking my ego  
I be like, get what you want, get what you want  
As long as you keep taking shit off, taking that off  
Open it up, bringing it back  
Yeah, yeah, drink in my cup, ass on my lap

I can never switch on my niggas, that's a no no  
Every watch I bop, bust it down, it's a lightshow  
I hit every bitch at the party, that's a shotgun shell  
And they not gon' tell, keep it G  
I ain't going deep, bitch I'm ready  
VVS my stones, cost a eighty  
Know I keep it on me like an ID  
Know that she gon' ride, she gon' ride like a poney

Throw it back, throw it back, throw it back make it clap for them racks  
I make it rain on you, what you tryna do  
She's trying to ball like she's trying to go to school  
Break a leg like you want this money baby

Throw it back, make it clap like you trying to [?] baby  
Throw it back, throw it back

In love with the drip, in love with the drip, in love with the drip
