

Trip (V)

VEDO

Ooh, it's Vedo baby

You put your feelings on safety
So you don't go wasting all ya energy
'Cause too many niggas done had had their way, say
You just wanna be friends, them niggas ain't me

You got a whole lotta love, girl don't you waste it
I wanna build it back up, don't wanna break it
Girl I been wishing for you, my chance I'll take it
Girl I know what you've been through, so I'll be right here, yeah

I'll be here when you're done trippin', overthinkin'
I'll been sippin', that's how I control
This feelin', you keep trippin'
Thinkin' I'ma give up on you, girl
I want you to know I really wanna take you there
I really wanna change your name
I wanna know why you keep trippin', trip-trippin' on me

Come through, come through, girl, I need to see you
Come tell me why you trippin' on me yeah
Come through, come through, girl, I need to see you
I need to see you, I need to see you

I'm just sayin' baby
You know I'm not them niggas, why you playin' baby
Come get this blessin', I've been prayin' baby
Fuck all that friend shit, I'm tryna be your man baby
But you been playin' lately

Shawty all them other niggas they was practice
Now let me put you in the game and change your status
You know what it is, you're playin' hard to get
When you come to your senses girl I'll still be here

I'll be here when you're done trippin', overthinkin'
I'll been sippin', that's how I control
This feelin', you keep trippin'
Thinkin' I'ma give up on you, girl
I want you to know I really wanna take you there
I really wanna change your name
I wanna know why you keep trippin', trip-trippin' on me

Come through, come through, girl, I need to see you
I need to see you, ooh
Come through, come through, girl, I need to see you
Shawty why you playin', shawty why you playin'

Come get this love baby (Trip-trip)
You know it's big enough baby (I send a pic)
And I can make you fall in love baby
But you keep playin' with me
I'm gon' be your man clearly

I'll be here when you're done trippin', overthinkin'
I'll been sippin', that's how I control

This feelin', you keep trippin'
Thinkin' I'ma give up on you, girl
I want you to know I really wanna take you there
I really wanna change your name
I wanna know why you keep trippin', trip-trippin' on me

Come through, come through, girl, I need to see you
I need to see you, oh
Come through, come through, girl, I need to see you
I need to see you, yeah
